

NZVP Turn Around Times

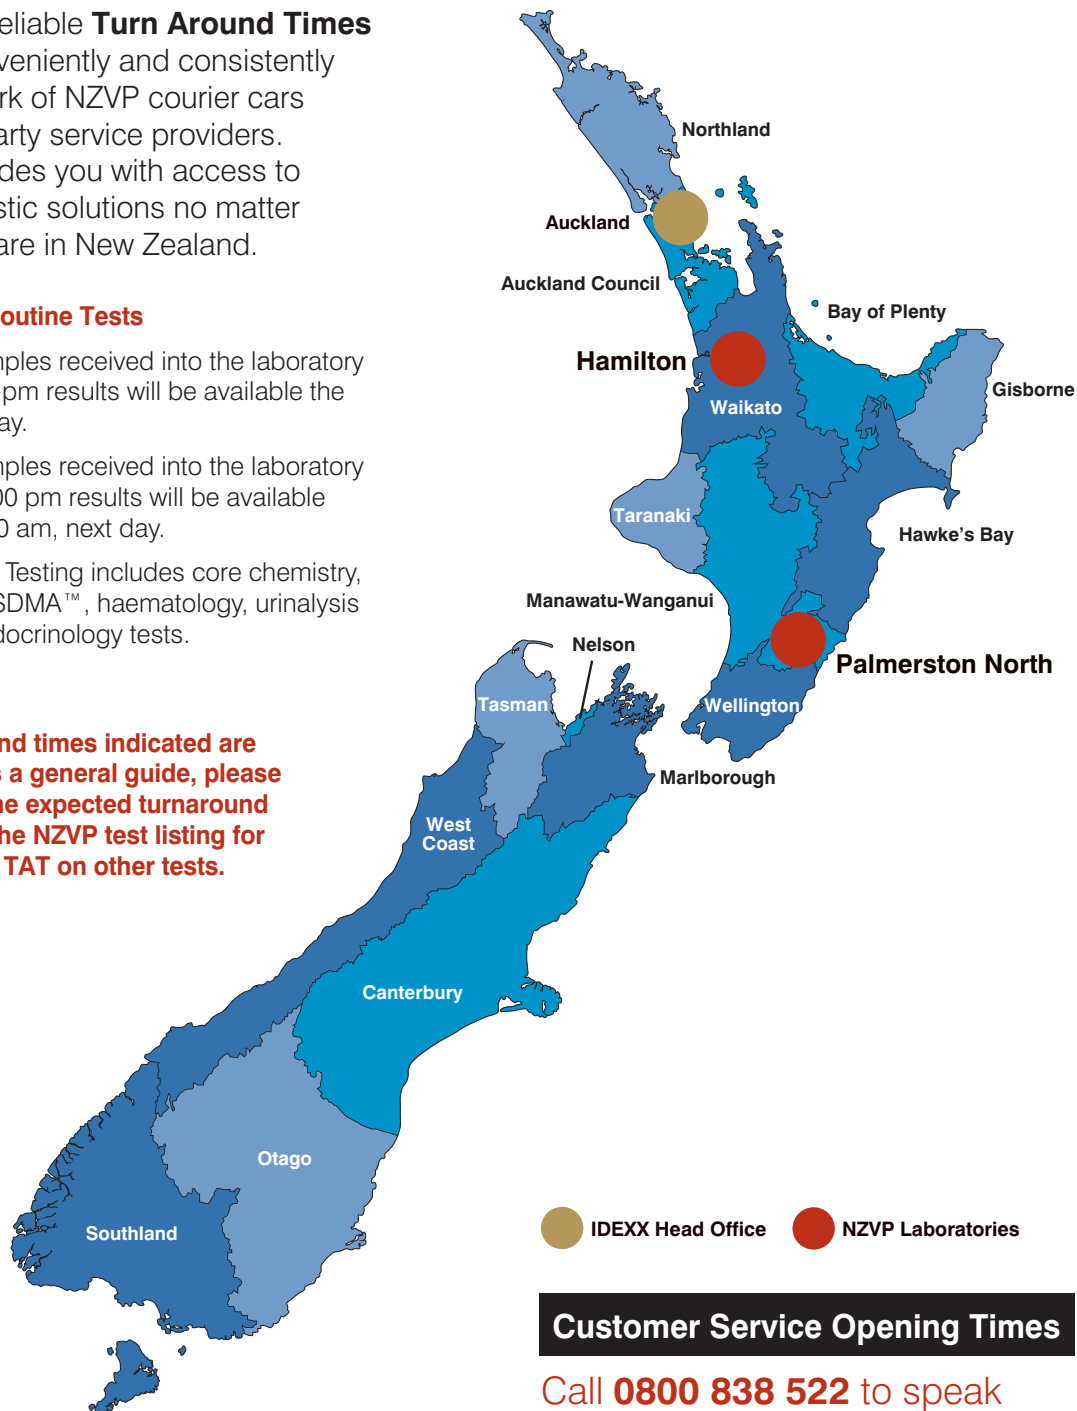

Reliable, Consistent, Convenient

Delivering reliable **Turn Around Times (TAT)**, conveniently and consistently via a network of NZVP courier cars and third party service providers. NZVP provides you with access to our diagnostic solutions no matter where you are in New Zealand.

● TAT for Routine Tests

- For samples received into the laboratory by 5.00 pm results will be available the same day.
- For samples received into the laboratory after 5.00 pm results will be available by 11.00 am, next day.
- Routine Testing includes core chemistry, IDEXX SDMA™, haematology, urinalysis and endocrinology tests.

Turnaround times indicated are issued as a general guide, please refer to the expected turnaround times in the NZVP test listing for expected TAT on other tests.

● IDEXX Head Office ● NZVP Laboratories
